TONOPAH MINING COMPANY OFFICIALS

PRESIDENT AUSTIN AND J. H. WHITMAN ON TOUR OF INSPECTION.

Superintendent H. R. Hanlin of the Tonopah and Goldfield railroad, who had gone north in his private car on Wednesday, returned yesterday with James S. Austin, president, and J. Harvey Whitman, director of the Tonopah Mining company. Mr. Whitman is a new member of the board of directors, being selected at the May meeting as the successor of O. A. Turner. Both gentlemen were in consultation with Comptroller Charles of the company, looking into the affairs of the big dividend payer. The gentlemen will leave this morning for the south and will return in several days, after which they will make a thorough inspection of their property and at that time will be ready to give their views on conditions in the mines and mills.

FRATERNAL HALL IS NOW PROPOSED

TONOPAH VOLUNTEER FIREMEN WOULD PUT EXTRA STORY ON GYMNASIUM.

A largely attended meeting of members of the Tonopah volunteer fire department was held last evening and questions of much import discussed. Members of various fraternal organizations were present to consider a plan of constructing an extra story on the gymnasium which is about to be erected, to be used by all others jointly as a meeting place. The matter was discussed pro and con and a committee appointed from the volunteers to meet with a like committee of the various organizations next Monday night, at which time it is thought a feasible plan will be evolved.

The report of the amusement committee shows that both financially and socially the benefit shows were a huge success, over \$400 being received from the entertainment. The exact amount could not be determined as there are still a number of members to report.

PERSONAL MENTION

Miss A. Cardinet left yesterday for the coast.
Miss Ruth Winans left yesterday morning for Berkeley, California.
Mrs. S. M. Richardson leaves for California this morning, accompanied by her son, Ray Richardson.
Dr. E. K. Smith came in from Round Mountain yesterday and leaves this morning for the coast.
Miss Lou Tennant returned to her home in Goldfield yesterday morning, accompanied by Miss Alma Dennis.
W. R. Alberger, traffic manager of the Tonopah and Tidewater railway, left for Los Angeles yesterday afternoon.

W. K. Wise leaves for San Francisco this morning, where he will join Mrs. Wise and daughter Emma, who preceded him to that place. He will return in about ten days.

Bob Montgomery, escorted by Col. Lewis Parkhurst, went to Goldfield yesterday and from there proceeded to Los Angeles. Colonel Parkhurst returned to this city in the evening.

J. F. Rawle will leave this morning for San Francisco. Mr. Rawle has occupied the position of general manager of the Western Union Telegraph company in this city during the absence of J. F. Morris on his vacation. Mr. Rawle came here from Toledo, Ohio, and has made a host of friends during his tenure of office. He will be detailed to a responsible position on the coast, but says the lure of the desert is great upon him, and his fondness for the people of Tonopah has reached such a magnitude that he is liable to return at the first opportunity.

If you desire ruling or binding in a first-class manner call up the Bonanza and our solicitor will attend to your wants.

TONOPAH'S CENSUS AT THE PRIMARIES

MORE VOTES CAST THAN WILL BE REGISTERED AT THE COMING ELECTION.

The count has been taken and the Democratic battle royal ended in the McCarran-Keeler boys being placed on the mat. It was a free-for-all from start to finish. The judges of election were evidently on to their job. During the interim of conducting the counting of the ballots which lasted for twenty-two hours six meals were furnished and mattresses and cots were called into requisition to enable the weary tabulators an opportunity of resting between rounds. The Bartlett-O'Brien wing of the party was successful in landing every one of their men by a two to one vote as forecasted in yesterday morning's Bonanza. The vote cast in all likelihood will equal if it does not exceed the registered vote that will be cast at the coming fall election. Republicans in a mistaken zeal cast their votes with one side or the other on the ground that they were assisting individual friends. Mere boys who will not have attained their majority for several years were allowed to exercise the right of suffrage; the foreign element was rounded up and driven like sheep and allowed to pass in the slip of paper marked with an X, which is the legal way of attesting a document when they can not write their own name, while the colored section evidently averted something in the shape of stewed chicken for their assistance. To the majority of these individuals the sacredness of the ballot meant nothing. How well defined the lines were drawn can be observed by the figures opposite the name:

Returns from over the state show that Congressman Bartlett will have a walk over in the state convention. In the north, Ormsby, Douglas and Lyon county, Bartlett has the three named solid. Elko elected a delegation for Bartlett, as did Eureka and Lander county. He also has Humboldt. In Nye county, at Manhattan he gets three out of five. Round Mountain sends a full delegation for the congressman. In Rhyolite he has a majority. Charges of gag rule at Beatty and accusations of fraud caused a calling for a mass meeting last night, the result of which could not be obtained as long distance closed early in the evening.

The bitterest kind of a fight occurred at Goldfield. Ben Rosenthal, leading the McCarran forces, was downed by a majority of 114.

MINE OPERATORS MAKE PROPOSAL

WILL DONATE MONEY TO BASEBALL IF MEMBERS RAISE LIKE AMOUNT.

The mine operators' association of Tonopah has come forward with a proposition to the Tonopah baseball association that has the right ring to it. At a meeting yesterday afternoon Secretary Charles was directed to submit the following: "The mine operators' association will contribute a minimum of \$350 or a maximum of \$500 to the Tonopah baseball association, providing that the members of the association secure from the business men or citizens of Tonopah a like amount." In plain words, the mine owners in order to encourage the national sport are willing to go down into their treasury, providing the members of the association raise a like amount.

SAYS ATWOOD IS COMING CAMP

H. McCAGHREN PREDICTS A RUSH IN THAT DIRECTION THIS FALL.

H. McCaghren, one of the best known miners in this state, who is part owner of the Bodie and Standard group of claims at Atwood, arrived in this city yesterday. He says that the surface showings in the Atwood district are among the best he has ever seen. He predicts that before fall there is certain to be a rush in that direction. The Butler, which is down 200 feet, has made a strike recently of four feet of ore, which goes from \$20 to \$500. Quite a number of properties in the district are shipping and many leases are being let. There is an abundance of wood and water near by and all in all it is an ideal mining camp. Mr. McCaghren, accompanied by Hugh Sutherland who is associated with him, will return to Atwood this morning.

TRAINING HARD FOR THE FIGHT

Both Weeks and Dougherty are training hard for their coming fight at the Casino arena on the night of August 12. Money is beginning to find its way into the hands of stakeholders and the bets are all even. The curtain raiser between George Odell and Kid Lawrence will be a delight to the fight fans and altogether the people who attend the smoker will be given a run for their money.
